**AMENDMENT OF INVENTORSHIP**

Director of the U.S. Patent and Trademark Office  
Washington, D.C. 20231

Sir:

The above-identified application was filed on August 21, 2006, as the U.S. National Phase of a PCT application, naming Laurent Martin, Marcel Boksebeld and Olivier Glaumot as joint inventors.

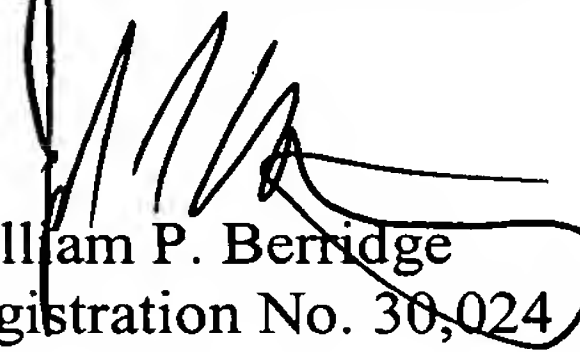

However, through error and without any deceptive intention, the inventive entity identified for the present application is incorrect. The actual joint inventors for the present application are Laurent Martin, Marcel Boksebeld, Olivier Glaumot, and Yvon Tetu. An executed Declaration and Power of Attorney naming these proper inventors was filed on December 14, 2006. Therefore, please add Yvon Tetu as an inventor of the subject matter disclosed and claimed in the present application.

Submitted herewith is a Petition for Correction of Inventorship under 37 C.F.R. §1.48(a), including a Statement from the inventor being added as an inventor that the error in inventorship occurred without deceptive intention on his part, an executed Declaration/Power of Attorney from all of the correct inventors of the present application, the fee set forth in 37

C.F.R. §1.17(i), and an executed Consent of Assignee to the presently requested change of inventorship.

Accordingly, Applicants submit that the requirements of the 37 C.F.R. 1.48(a) are satisfied. Acknowledgement of the correction of inventorship by the Patent Office is respectfully requested.
